

## **SKIM LATIHAN 1 MALAYSIA CCM (SL1M CCM)**

Skim Latihan 1 Malaysia (SL1M) Programme was launched on 1 June 2011 in support of the Government's initiative to enhance the employability of unemployed graduates through exposure in industry based on workforce requirements and to prepare them for future employment opportunities.

**Skim Latihan 1 Malaysia CCM (SL1M CCM)** is a systematic platform for graduates to develop their competencies by focusing on acquisition of critical soft skills and experienced-learning exposure. This is one of CCM's Corporate Responsibility (CR) initiatives which is aligned with CCM's Corporate Values.

**Chemical Company of Malaysia Berhad** is the largest generic pharmaceutical and compound fertilizers manufacturer listed on the main market of Bursa Malaysia and is a key player in the fertilizers, chemicals and pharmaceuticals industries. We would like to invite unemployed graduates to join our SL1M CCM graduates trainee programme:

### **SL1M CCM GRADUATE TRAINEE**

#### The Training

- Candidates will be engaged for a 6 months training period.
- Candidates will undergo an extensive on-the-job training programme along with the opportunity to learn through our various learning and development programmes.
- Candidates will be exposed to various operational activities as well as auxiliary support functions.

#### Benefits of Programme

- Opportunity to have a systematic exposure and enhance competency in preparing for your working career
- Right training to address your learning needs
- Coach to guide your growth and development
- Excellent employment prospects after completion of the programme for potential trainees
- You will be provided a monthly allowance and additional benefits throughout the programme
